

SHAILESH SAHANI

ANDROID DEVELOPER | SOFTWARE DEVELOPER

Suresh nagar, Diva(E) | shaileshsahani445@gmail.com | 9619930484

SUMMARY

Computer Science graduate passionate about Android development and software engineering. Skilled in Kotlin, Jetpack Compose, and MySQL, with experience building clean, functional mobile apps. Strong interest in crafting smooth user experiences and writing efficient, maintainable code. Eager to contribute to impactful tech projects and grow as a developer.

TECHNICAL SKILLS

Python Advance	Android Studio, MVVM	SQL
Java (Servlet, Jsp)	Jetpack Compose	Firebase Realtime DB
Kotlin Advance	Room Databse	JSON, Rest Api

PROJECTS

- Real-time Banking App - (Android, Kotlin, Firebase)

Nov 2024 - Jan 2025

 - Built a secure banking app with UPI login using Firebase Authentication and Realtime Database.
 - Features include user registration, login, logout, and real-time transaction tracking.
 - Used Room for local caching, Jetpack Compose for responsive UI, and MVVM architecture for clean code.
- Mental Mathematics - (Android Studio, Kotlin)

Jun 2024 - Aug 2024

 - A mental math game designed to boost calculation speed and sharpen brain reaction time through fast-paced, timed challenges with increasing difficulty.
- Wifi Billing System - (Python, Sql)

Oct 2023 - Dec 2023

 - Developed a Python-based WiFi billing system that tracks user usage, generates invoices, and stores data in an SQL database. Includes functionality to export invoices as Excel documents for record-keeping.
- Ticket Booking System - (Java, Servlet, Mysql)

Jan 2024 - Mar 2024

 - Developed a web-based ticket booking system with user login/signup, booking tracking, and cancellation features. Implemented secure session management and integrated MySQL for backend data handling.

EDUCATION

- Bachelor of Science in Information Technology

Jun 2023 - May 2025

Achiever's College , University of Mumbai

 - Information Technology & Software Development
- Diploma in Software development & IT

Jun 2023 - Jan 2025

Quastech Institute (Thane) — 3 years (completed simultaneously)

 - Focused on technical development and practical IT skills.

ADDITIONAL INFORMATION

- Languages:** English, Hindi, Marathi.
- Certifications:** Android Development – Quastech Institute.
